## Biographical Sketch

Biographical Sketch of \_\_\_\_\_

Please write a biographical statement about yourself that summarizes what you outlined in the biography statement. This statement should be no more than two paragraphs long. Upon completion, it will be given to another student in the class to make a toy that is designed exclusively for and about you.

Please keep in mind that biography toys are intimate objects that are created with you in mind. You can begin the statement as if you are writing a letter to a long lost friend. You may be colorful and above all honest.
